Advancing surgical standards in polytrauma management

A highly practical and interactive course, combining cadaveric dissection with symposia, Damage Control Orthopaedic Trauma Surgery allows participants to learn the strategies, tactics and skills developed in battlefield surgery that are applicable to the civilian surgeon.

Date: 13 - 14 January 2016
Held at: RCS London
Full Course Fee: £975
RCS Members/Fellows: £877.50
Level: ST6-8, Consultants and SAS Grades

Course Director
Professor Ian Pallister
Consultant Trauma & Orthopaedic Surgeon
Morriston Hospital / Swansea University College of Medicine

Delegate Feedback
‘The practical elements were excellent allowing us to learn new techniques that previously would have been performed by General Surgeons. This course should be compulsory for Consultants and Senior Trainees working in a Major Trauma Centre.’
